Charges for the use of the Community Centre are reviewed on a regular basis and may be open to negotiation in the case of minimally/non-funded groups. However A2Dominion Group is obliged under charity law to administer a scale of charges that at least cover our costs.

Please note that A2Dominion does not take bookings after 9.00 pm and we are unable to cater for large social gatherings (e.g. weddings, religious events) due to the close proximity of the centre to residents.
