---	-------	------	-------

How would you like to receive your data?	Printed Via recorded mail	USB stick Password sent separately	Email Secure access details sent separately
--	------------------------------	---------------------------------------	--

2: About the data subject

The data subject is the person whose personal information you are requesting.

Are you the data subject? Yes No

If you said 'yes', then in order to prove the data subject's identity, we need to see a copy of your identification. Please supply one of the following (photocopies are acceptable):

- Passport/travel document
- Photo driving licence
- Foreign national identity card

Please also complete the Section 4 declaration.

If you said 'no', then are you acting on behalf of the data subject, with their expressed permission or with the appropriate legal authority? If so, you will need to provide a letter of authority (e.g. power of attorney, guardianship, signed consent, etc.). Please also complete the Section 5 declaration.

3: Information request

Personal data' means information relating to the data subject as an individual and covers things like their tenancy details. It does not generally cover information relating to repairs, as this does not usually contain personal data.

You have the right to request access to your personal data. We must supply this to you within **one month** from the time we have received your request and you have provided us with your proof of identity.

There are some conditions that might prevent us from completing some or all of your request. For instance, if the law prevents us from doing so (we will notify you where this is the case).

Please complete the following, being as specific as possible so as to speed up your response.

Please tick which A2Dominion services you have dealt with	Anti-social behaviour	Care & Support	Complaints
	Customer services/ contact centre	Housing rent	Human Resources
