Apply to keep a pet

I/We undertake to comply with the following conditions:

Dogs

- The dog will wear a collar and identification tag showing my name and address.
- The dog will be kept on a lead when outside my home and will not be allowed to roam the estate.
- The dog will not be allowed to foul common paths or grounds on the estate.
- The garden will be secured so that the dog cannot escape or cause a nuisance to neighbouring residents.

A2Dominion will treat any dog roaming on the estate as a stray and take the appropriate steps to arrange for its removal.

By signing this application, you (the resident) agree to regularly flea-treat your dog and/or cat.

Please note: Dog and cat mess can make people unwell. If the eggs of roundworms are swallowed, they can cause aches and pains, bronchial conditions and possibly blindness. Please clear up after your animal makes a mess and make sure it is wormed regularly.

Important: When a member of A2Dominion staff or an A2Dominion-appointed contractor needs to visit your property for any reason, you will be asked to place your dog(s) in a cage, a separate room, or another secure area to ensure the safety of staff, contractors and residents.

If this happens, the animal must be removed from the property within 28 days. A2Dominion's decision in such matters is final.
